22 March 1982

MEMORANDOM FOR.	Chairman, blo framing rask force	
FROM:	Director of Training and Education	STAT
SUBJECT:	Program on Creative Management	
to the members of I believe it is some points regard Program on Creat memorandum does 2. Contrar Office of Training and vital part of on our offerings engaged with us in order to assist screening activity obtaining the pseudostaining the ps	been shown a memorandum dated 15 March 1982 addressed of your Task Force from the DDO Senior Training Officer. important that I make a matter of record with your group arding our approach to the temporary standdown of the cive Management (POCM) since the Senior Training Officer's not represent my position accurately. The series of the last sentence of memorandum, the ing and Education (OTE) does consider POCM to be a central of its management training program. We are standing down sof this course solely because the Agency component in putting on this course has had to withdraw its support ign its assessment psychologists to priority applicant ities. We are even now exploring alternate methods of sychology services essential to the conduct of the POCM. The acquiring its own psychologists for this purpose. That it would not be wise for OTE to hire psychologists to be befully a temporary gap. This does not mean, however, pursuing the possibility of contracting for assessment	STAT
3. as regards POCM	is well versed on the causes for our present dilemma and our philosophy as regards this course and others by your Committee. I would hope that your group would	STAT
take full advant	tage of his membership and consider him to be the spokesman of Training and Education's positions on these matters.
